- 1.
- 2.
- 3.
- 4.

With the submission of this manuscript I would like to undertake that:

- All authors of this research paper have directly participated in the planning, execution, or analysis of this study;
- All authors of this paper have read and approved the final version submitted;
- The contents of this manuscript have not been copyrighted or published previously;
- The contents of this manuscript are not now under consideration for publication elsewhere;
- The contents of this manuscript will not be copyrighted, submitted, or published elsewhere, while acceptance by the Journal is under consideration;
- There are no directly related manuscripts or abstracts, published or unpublished, by any authors of this paper;
- My Institute’s _____ representative is fully aware of this submission.

Submitted manuscript is:

- Review Article,**
- Original Scientific Article**
- Case Report**
- Short Communication**
- Technical communication**

Hereby, I confirm that procedures involving experiments on human subjects are done in accord with the ethical standards of the Committee on Human Experimentation of the institution in which the experiments were done or in accord with the Helsinki Declaration of 1975. (Compliance with these guidelines as well as protocol approval by a local Institutional Review Board should be specified in the text of the manuscript.) (Check unnecessary if not applicable).

Hereby I confirm that procedures involving experimentation on animal subjects are done in accord with either the guide of the institution in which the experiments were done, or with the National Research Council's guide for the care and use of laboratory animals. (Compliance with these guidelines as well as protocol approval by the Institutional Animal Care and Use Committee should be specified in the text of the manuscript.) (Check unnecessary if not applicable).

IF THE MANUSCRIPT IS A PART OF SOME RESEARCH PROJECT PLEASE FILL:

The research project was conducted under the supervision of:

(Provide the name of the Supervisor with his/her complete information)

This research project was conducted from _____ to _____
Starting date Ending date

From the same project I have already published the following manuscripts:

(Provide the complete sources of published articles) In case it is your first publication from this project, then you must provide your similar list of publications.

My Research Project was partially or fully sponsored by:
with grant number :

If you have undergone your research project without any financial assistance, then you must provide information who was the sponsor of the project?

Please suggest potential three reviewers for this submission. (OPTIONAL) Use the fields below to give us contact information for each suggested reviewer, and please provide specific reasons for your suggestion in the comments box for each person. Please note that the journal may not use your suggestions, but your help is appreciated and may speed up the selection of appropriate reviewers.
