Dear Reviewer,

The enclosed manuscript has been submitted for publication in the International Journal "Macedonian Veterinary Review". Because of your expertise in the subject area, I would be most appreciative if you would serve as a referee and review the manuscript for us. Your comments regarding the scientific merit of the material would be most helpful in our decision about whether to publish the article. Please review the text, tables, figures, and references carefully and return to the address below within **four weeks**. If for some reason you are unable to review the manuscript, I would appreciate your immediate return of the same to me.

A set of guidelines for referees is enclosed.

Comments may be made directly on the manuscript and on additional sheets as necessary to complete your review.

Thank you very much for your help.
